Planning Ahead and FAQ

Badges, Hometown Items and Trading

On Monday, July 14th, Champs have the opportunity to attend a “Badge Trading” session during opening ceremonies and throughout the week where champs exchange badges, pins, or any special items from their hometowns. We suggest bringing approximately 200 - 400 badges for trading. Families and volunteers will ask the Champs for their badges all week long. We want to make sure that you are aware of this tradition so that your Champs can take part.

Alignment Badges

Each Champ is provided one additional badge for alignment days. The badge will be included in the Champ bag and can only be used to get into Topside during scheduled alignment days. Scheduled alignment days are Sunday, Thursday (All-Star only) and Friday.

Champ Car Messages and Program Messages

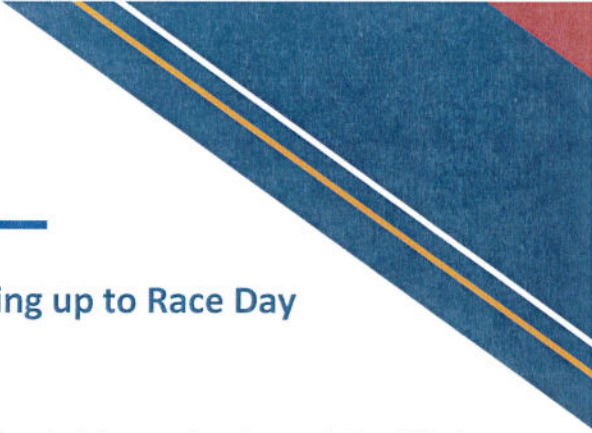

Want to write and give a message to a Champ wishing them “good luck” in Saturday’s race? Visit the Office Tent during race week, to write and submit “good luck” messages for Champs! These messages will be placed in the Champs’ cars for them to read on Saturday morning before the race. All messages are due by Thursday at 7 pm.

Banners and Signs

Families are encouraged to bring banners to support their Champs. Banners should be no higher than 3’ and no longer than 5’. Banners can be hung using zip ties throughout the week starting at the starting line and going down the track on the outside part of the track. We are not responsible for the banners if left behind.

Tents

Do not place or set up tents/canopies on Derby Downs grounds before 7:30 am on Sunday, July 13. Tents set up prior to this time will be removed. Also, when setting up, please avoid the zoned-off areas. The ISBD is not responsible for tents/canopies placed on our grounds or for items left in them.
